# Welcome

to the 2006 Share Lent Kit. Lent is an important time in the Canadian Catholic Church's Calendar. Our financial contributions to DEVELOPMENT AND PEACE through Share Lent show our solidarity with the communities in the Global South who struggle for a dignified life, and – in some cases – for life itself in the face of unjust social, political and economic structures and natural disasters.

This year marks the third and final year of our **Thirsting for Justice** Campaign, linked to our education theme, **Water: Life before profit!** Assuring access to clean affordable water for all people remains at the heart of our campaign. So, you will find many of the resources, as in the past, which help us to be mindful of the precious gift water is to all life.

Look for the new 2006 **Share Lent video**,  which explores the Spirit of Lent and what Lent means to Catholics today.

Thank you for your work in the past and thank you in advance for your continued support in getting the Share Lent message heard in your school, parish or community.

**We want to hear from you...**

Your feedback is important to us.

We are sending you a brightly coloured feedback sheet with the orders.

Please fill it out and send it in. More copies can be found on our website or by asking your animator.
