Ecological justice

This we believe

God creates all things, renews all things and celebrates all things.
This we believe.

Earth is a sanctuary, a sacred planet filled with God’s presence
A home for us to share with our kin.
This we believe.

God became flesh and blood, a piece of Earth,
A human being called Jesus Christ, who lived and breathed
And spoke among us, suffered and died on a cross
For all human beings and for all creation.
This we believe.

The risen Jesus is the Christ at the centre of creation,
Reconciling all things to God,
Renewing all creation and filling the cosmos.
This we believe.

The Holy Spirit renews life in creation,
Groans in empathy with a suffering creation
And waits with us for the rebirth of creation.
This we believe.

We believe that with Christ we will rise
And with Christ we will celebrate a new creation.
