PSALM OF HUMANITY FOR CREATION

O Divine Love, O Infinite Beauty, Creator God,
how breathtaking is Your creation.

From the grains of sand beneath our feet
to the vast starry night sky,
as we contemplate Your infinite revelation,
how can our hearts not be transformed?

Humanity’s pillage and over-consumption is hurting
Your exquisite creation.
Hasten our steps along the journey to healing;
“take us to the heart of what it is to be human.”

Turn our eyes to those already open to Your voice,
already inspired by Your Gracious Spirit to
walk with the poor and live more simply.

We praise You and thank You for Your forgiving Mercy;
for strengthening our spirits to do Your Will.

May the love for our common home grow
so that Your creation will flourish,
so that as one human family,
we have renewed hope with the dawn of each new day.

Praise to You, O Divine Love, O Infinite Beauty, Creator God.

Amen.
