CARITAS CANADA

INTRODUCTION

Lent is a time of preparation and introspection. It is a moment to draw closer to God through prayer, fasting, and almsgiving. For 40 days and 40 nights, we walk together with Jesus.

This year, Development and Peace – Caritas Canada is adding its voice to those of Pope Francis and Caritas Internationalis by inviting Canadians to share the journey with the 68.5 million forced migrants in the world today.

Launched in Rome in September 2017, the *Share the Journey* campaign is much more than just an initiative to raise awareness on migration issues. Rather, Pope Francis urges us to undergo a true transformation of the heart. Faced with a culture of indifference that confuses minds and stifles hearts, he invites us to build a culture of encounter - a culture of mercy and compassion.

“For me this word is very important. Encounter with others. Why? Because faith is an encounter with Jesus, and we must do what Jesus does: encounter others. [...] With our faith we must create a ‘culture of encounter,’ a culture of friendship, a culture in which we find brothers and sisters, in which we can also speak with those who think differently, as well as those who hold other beliefs, who do not have the same faith [...]. They all have something in common with us: they are images of God, they are children of God.”

– Pope Francis, Pentecost vigil, May 18, 2013

As we begin our journey toward Easter and prepare our hearts to celebrate the death and resurrection of Jesus, let us take the time to share the journey with our sisters and brothers who have had to flee their homes. Let us pray for them. May we learn to walk together with them in solidarity, united in the conviction that we are one global human family.

The liturgical resources that you will find in our guide have been designed to help you convey this message of love and compassion in your parish or school. We hope that you will find these resources inspiring and that they will support you in sharing the campaign with those around you.

Please take a few minutes to answer our short evaluation survey, which will be available as of March 6 at devp.org/lent-evaluation.

For parish celebrations, it is important to work closely with the pastor and the liturgical committee to determine which of the suggested Liturgical Resources can be used at Mass. For school celebrations, consult the chaplain or pastoral worker to see which suggestions would work best.

Introduction

Let God enlighten and transform our lives so that love, justice and peace can reign on Earth. With confidence, let us present to God the needs of the Church and of our world.

God of love and peace, hear our prayer.

Intentions

For the children, women and men in our world, who are forced to flee their homes because of war, persecution, natural disasters, extreme poverty and the destruction of their environment, we pray to the Lord.

For the members of our Church, that they may carry the message of Pope Francis to open our hearts to migrants and refugees and respond with solidarity and mercy to the vast movements of migration in the world today. We pray to the Lord.

For our world leaders, that together they may find diplomatic and peaceful solutions to the root causes of forced migration, we pray to the Lord.

For the members of the Canadian government, that they may guarantee support to the children, women and men who have had to flee their homes as well as to the communities that welcome them, we pray to the Lord.

For the members of our Christian community, that, in the Spirit of the Gospel, we may go out to meet those migrants and refugees who live among us, let us pray to the Lord.

For the partners of Development and Peace throughout the world, that through our support they may continue to build a world of love, of solidarity, of justice and of peace, we pray to the Lord.

Concluding prayer

God our Father, we believe that every human being should flourish in a community where solidarity, justice and peace reign. May all your children be surrounded by care and love. We ask this through Jesus Christ, your Son, who lives and reigns with you in the unity of the Holy Spirit, one God, for ever and ever. Amen.

April 14th

Palm Sunday

For the children, women and men of our world, that we may together foster communion in love, fraternity, justice, sharing and peace, we pray to the Lord.

SHORT TALK

Imagine that your life is in danger and you have to flee your home. You don't have time to prepare or take anything with you. You must flee now. What would you do? Where would you go? How would you feel?

More than 68.5 million people worldwide have faced this situation. In fact, every minute, 31 people are forced to flee their homes to escape war, persecution, large-scale development projects, extreme poverty, or the consequences of climate change.

Children such as Shominara, who fled Burma with her family to escape the persecution suffered by the Rohingya and found refuge in Bangladesh;

Young women such as Qawthar, who had to flee war in Syria and has now been living in Lebanon for the last six years;

Women such as Kelly, an Afro-Colombian peasant who was displaced multiple times because of the armed conflict that afflicted her country for 50 years;

Men such as Amechi in Nigeria, who fled to save his life when armed forces turned their weapons on peaceful protesters asking for fair compensation from an oil company exploiting and polluting their land; and

Poor coastal communities in the Philippines who saw their homes ravaged by Super Typhoon Haiyan five years ago and faced eviction with no where to go.

This Lenten season, Development and Peace and Pope Francis invite us to reach out and encounter migrants and refugees. The Pope has reminded us that, "Faith is an encounter with Jesus, and we must do what Jesus does: encounter others." Together, we are invited to open our hearts and foster a culture of encounter – a culture that requires a deep commitment to go towards others, to stop, listen and really see them, and to give a little of ourselves.

This Lenten season, we are all called upon to be fellow travelers with our sisters and brothers who have had to flee their homes and to share the journey with them. But how?

By giving generously to the Share Lent campaign. Thanks to your support, Development and Peace and its partners can continue to build a world of justice by taking action on the root causes of forced migration and by supporting the most vulnerable populations in the Global South. Together, we can support people such as Shominara, Qawthar, and Amechi.

You can also take part in a solidarity walk to help us reach our goal of walking the equivalent of the the Earth's circumference, *i.e.* 40,075 km. [If applicable] On [date] at [place], there will be a walk in our community and we hope to see you there in great numbers.

Thank you for sharing the journey with our sisters and brothers all over the world. Thank you for praying for them.

SYMBOLS OF SOLIDARITY

The Symbols of Solidarity is an optional activity designed to visually illustrate the theme of the 2019 Share Lent campaign. The symbols can be used in a procession before or during Mass or during an activity organized in your community. If you plan on presenting the Symbols of Solidarity during Mass, please coordinate with the parish pastoral team as to how the presentation will unfold. Schools are also invited to present these symbols in the most appropriate area in their school.

Organization and execution

The Symbols of Solidarity presentation generally takes less than 10 minutes but can be shortened or lengthened as needed. Here are some suggestions that will help you to present the symbols.

Location

Determine in advance where the symbols will be placed after the procession. You could, for example, place them near the altar on a decorated table or in another location set aside for this purpose.

Presenter

Designate in advance a person who will present the symbols. You could call on a different person to present each symbol.

Presentation

The Symbols of Solidarity can be done at different moments (before, after or as part of Mass), depending on what is most appropriate for your parish. Begin the presentation with a procession that is led by the people holding the symbols.

Once the procession is complete and people are seated, the person presenting the symbols may begin.

When a symbol is presented, the person holding it presents it to the congregation. Once the symbol is presented, he or she places it down in the designated location and then steps aside to make way for the presentation of the next symbol. When the symbols have all been presented, the people return to their places.

Text for the presentation of the Symbols of Solidarity

Lent is a sacred period, a time for preparation, transformation, and conversion, offering us the opportunity to deepen and enrich our faith. It is also a privileged moment of encounter with oneself, our loved ones, newcomers of our community, and with God.

In this age when division seems to be at the forefront, when fear clouds minds, and the culture of indifference stifles hearts, Pope Francis invites us to promote a culture of encounter and to share the journey with the millions of people around the world who are forced to flee their homes. It is an invitation to all of us to walk together side by side on the path of solidarity.

Development and Peace – Caritas Canada partners in the Global South stand side by side with people forced to flee their homes, whether by working to make their voices heard, providing emergency assistance to displaced communities and host communities, or fighting against the root causes of forced migration.

The Symbols of Solidarity that we present to you today reflect the path traveled by displaced persons and the work done by Development and Peace partners.

Symbols

- A pair of old shoes to symbolize the road traveled by forced migrants.
- A backpack to symbolize the precarious situation of forced migrants.
- A lifejacket to symbolize the dangers and difficulties faced by forced migrants during their journey.
- A dish to be shared (hummus with crackers or a fruit platter for example) to symbolize the culture of encounter and the connections between forced migrants and members of their host community.

1st symbol: A pair of old shoes

This pair of shoes symbolizes the path travelled by forced migrants. In 2017, 68.5 million of our sisters and brothers were forced to flee their homes because they feared for their lives and their safety. They set out on a long and difficult journey, sometimes risking their lives, in the hope of living in dignity and peace.

In Colombia, slightly more than 7.7 million people have been displaced because of conflict, violence, natural disasters, and development projects, resulting in this country having the most internally displaced people in the world. The National Agrarian Coordination, a Development and Peace partner, works with Indigenous women, many of whom have been forcibly displaced. They are taught new skills to engage in dialogue with local, regional, and national authorities. By promoting inclusive and participatory democracies, we tackle one of the root causes of forced migration.

2nd symbol: A backpack

This backpack symbolizes the precarious situation of forced migrants. When they flee their homes, they must leave everything behind. Stripped of their belongings and their dignity, they leave in search of a safe place to live.

On October 30, 1990, the Nigerian police force sent members of its elite combat unit to the community of Umuechem. The community was demonstrating peacefully to claim its share of the profits generated by Shell after 30 years of oil exploitation on their lands. More than 300 people from the community were killed in two days and their houses were set on fire. Following these traumatic events, almost all survivors fled to neighbouring villages. In 2014, the community of Umuechem and Social Action, a Development and Peace partner in Nigeria, decided to seek reparations by taking Shell to court in the Netherlands to fight against impunity.

3rd symbol: A lifejacket

This lifejacket symbolizes the many dangers and difficulties faced by forced migrants during their travels: extortion, police roadblocks, hunger, fear, loneliness, difficult weather conditions, and more. Many will never reach the safety that they so desperately seek. Some will die along the way, while others will be captured, imprisoned, or turned away at borders.

The Hossein family fled Burma to escape the violence and persecution that is suffered by the Rohingya, a Muslim minority living mainly on the west coast of the country. They had to walk for three days in the jungle without food to reach Kutupalong camp in Bangladesh. Caritas Bangladesh, a Development and Peace partner, is tirelessly working there to protect and support Rohingya refugees by providing emergency shelters, access to clean water, as well as safe latrines and showers for women and girls.

4th symbol: A dish to be shared

This dish to be shared symbolizes solidarity, a culture of encounter, and the links between forced migrants and their host community. This symbol also evokes the hope of forced migrants that during their journey they will meet people who will reach out to them.

In some parts of the Middle East, tradition dictates that bread and salt are to be served to forge an alliance between two people. Once these foods are shared, the two parties will always remember each other. Inspired by a workshop on peacebuilding led by House of Peace, a Development and Peace partner, a group of Syrian refugees decided to breathe new life into this tradition. Women got up very early in the morning to make bread and then went door-to-door to offer it to their Lebanese neighbours as thanks for welcoming them into their community.

Conclusion of the presentation of the Symbols of Solidarity by the presenter

The Development and Peace Share Lent campaign invites us to be fellow travelers with our sisters and brothers who are forced to flee their homes. Let us be the voice that kindles hope and compassion, and rallies hearts on the path of solidarity. We now invite you to shake hands with your neighbour to express welcome and solidarity with each other and with all those around the world who have been forced to flee their homes. May the Lord illuminate their path and guide them to safety.

TESTED AND APPROVED FUNDRAISING IDEAS!

You want to raise money to support communities in the Global South but don't know where to start? There are many easy and fun ways to raise funds for Development and Peace – Caritas Canada! Here are some ideas and testimonials from our committed members across Canada.

Walk and fundraise

Like the St. Thomas More College Youth group of Saskatoon (above), organize a *Share the Journey* walk in your community, school or parish to raise funds and walk in solidarity with those forced to flee their homes. A peer-to-peer fundraising platform as well as helpful tools are available at devp.org/walk:

- Plan your walk.
- Create an individual or group fundraising page.
- Invite family and friends to walk with you and sponsor you. You will be notified when a contribution is made to your page.
- After the walk, don't forget to add your kilometres to our virtual calculator.

"On May 27, 2018, four Development and Peace members of the Victoria Diocese participated in a 10K walk and raised funds for the organization. We used the peer-to-peer online fundraising tool and emailed our families and friends requesting they support us on our walk. The donations flowed in, on average between \$25 and \$50. We raised a total of \$4,285 and had fun walking the 10K together. We hope to make this an annual activity to support Development and Peace!"

– Nancy Stuart, National Council member from Victoria, BC

Peer-to-peer fundraising

Raise funds for Development and Peace by customizing a giving page and sharing it in your networks.

Our main peer-to-peer fundraisers are the *Share the Journey* walks and THINKfast, but nothing stops you from planning your own fundraiser!

It is free to use, reduces donation processing costs and donors automatically receive a tax receipt by email. When you ask someone to donate to Development and Peace, you are giving them a chance to help build a world of justice. The easiest way to get your first donation is simple – just ask!

- Create your individual or group fundraising page online at devp.org/walk or devp.org/thinkfast.
- Share your page in your networks so they can learn more about your commitment and make an online donation in support of your efforts.

"For my 75th birthday, I planned a peer-to-peer fundraiser aiming to raise funds for Development and Peace. It took little time to create and was easy to share with my friends and family. This simple initiative helped raise over \$1,200 for Development and Peace!"

– Martin Blanchet, National Council member from Edmonton, AB

THINKfast

This 25-hour fast is an interactive learning experience for youth who are passionate about social justice.

Fasting is part of Catholic tradition. It is a spiritual practice and a way to stand in solidarity with the hungry, poor, and oppressed. Development and Peace encourages you to reach out to staff should you need support, guidance or inspiration when planning your event.

Visit devp.org/thinkfast to download the Organizer Toolkit and learn about activities that can provide hands-on experiences of the issues surrounding poverty and injustice. Create a personal or group fundraising page to help collect donations.

"THINKfast has been a popular event at Holy Cross C.S.S. since 1995. Over 50 students, staff and other volunteers join us annually for this unique overnight retreat experience. We fast, pray, reflect on social justice themes, and raise money for Development and Peace. Each student is expected to raise at least \$50 by collecting pledges in the weeks leading up to the big event. We usually raise well over \$2,500. In solidarity with the many other schools across Canada who do THINKfast, we continue to make a difference in the lives of our sisters and brothers in the global South, as well as here in Canada. THANK YOU D&P. THINKfast forever!"

–Chris Forster, Chaplaincy Leader at Holy Cross C.S.S.,
Kingston, Ontario

Share Year-Round

Monthly giving is simple for you, reduces operational costs for Development and Peace and makes an impact for those in need.

"My passion for Development and Peace has been concentrated on the Share Lent campaign, with a particular focus on the monthly donor program, Share Year-Round, which I actively promote. While in university, I started giving \$5 a month, and each year since then, I have increased my monthly donation by one dollar. The money is taken directly from my bank account and I don't even notice it - but they do! It makes a big difference for vulnerable communities in the Global South."

–Desiree Nelson, member since 2006, Saskatoon, SK

Screening events for *After the Storm: Building the Pope Francis Village* documentary

This film tells the story of survival and reconstruction in the Philippines after Super Typhoon Haiyan in November 2013. Five years later, Development and Peace shares the inspiring journey of poor coastal communities who rebuild after losing everything.

Visit devp.org/en/philippines-documentary for resources to help you organize your event!

"We organized a screening of this wonderful documentary in our parish. This is a very good example of the concrete work of Development and Peace as part of a reconstruction program. I encourage parishes and schools to organize a screening of this moving film. The people who attended the screening in my parish were very proud to see their gifts at work. The main goal of our event was not to raise funds, but if this had been the case, we would have set up a table to collect donations before and after the screening with donation forms and envelopes as well as a laptop with Internet connection to receive any online donations."

–Luce Dubé, pastoral worker at the parish of Notre-Dame-de-l'Annonciation of the Diocese of Quebec, QC

Benefit Concert *Voices of Women for Peace*

"On April 13, 2018, we organized a benefit concert at St. Albert the Great Church in Montreal. It was a wonderful collective project. More than 250 people attended, including the consuls of Ecuador, Argentina and Mexico. The four guest artists sang with generosity, passion and commitment. The event raised more than \$6,200. We achieved our goal of raising awareness and funds for marginalized communities in the Global South!"

–Youth group of Montreal, QC

Lenten Soup and Bun Meals

“Every year, for the past seven years our committee has coordinated six Soup and Bun meals on Friday evenings during Lent, after a 5:30 Eucharistic Celebration in the church. Different parish committees, including ours, volunteer to bring pots of soup, set up the food table and wash up the dishes used. We set up a basket for a free-will offering for our D&P Share Lent campaign. After the meal, we offer a 20 to 30-minute program (*i.e.* the D&P Way of the Cross, a video, guest speaker on a topic related to justice or a D&P Solidarity Visitor presentation). We raise about \$1,000 per year with an average participation of 30 to 40 parishioners at every meal.”

– Justice and Peace Committee of St. Anne’s Parish, Saskatoon, SK

Mason Jar Soup Sale

“A couple of years ago, in 2012, we started selling jars of soup mix. Each year, a few members of our little team (of 15) get together for this project. We first buy the ingredients in bulk. Then, we meet for an evening and in a couple of hours, we have filled up a few hundred glass jars with the ingredients necessary to make soup. We then decorate the jars with nice fabric and glue the ingredients and recipe on the side. We sell between 200 and 600 jars every year, smaller jars are sold for 6\$ and bigger ones for 12\$, which amounts to a few thousands of dollars for Development and Peace!”

– Louisanne Lamothe-Ouellette, member of Saint-Jean-Longueuil Diocese, QC

The Box Lunch Auction

“Each year, Holy Cross High School in Saskatoon holds a Box Lunch Auction to raise money for Development and Peace. Homeroom classes create, assemble, and prepare lunches which are then sold off to the highest bidders. Students gather in the gym in the morning and for one hour, lunches are promoted (by a real auctioneer) and sold - always for a value far exceeding the actual cost of the meal! The spirit that overrides the event is not ‘how much can we get,’ but ‘how much can we give.’ Thousands of dollars are raised as the school comes together in a spirit of community and generosity.”

– Louise Bitz, former teacher at Holy Cross High School in Saskatoon, SK

Send us your used stamps!

Each year, members of Development and Peace who are philatelists organize used stamp sales in Quebec to raise money for Development and Peace. Simply cut off stamps from your envelopes without damaging perforations and send them to Development and Peace:

“Over the years, we have raised more than \$500,000 for Development and Peace. To see the results and involvement of our many volunteers over the last 33 years, we can conclude that the stamp sale was... a good idea!”

– Jean-Pierre Lagacé, co-founder of the stamp initiative, member from Beloeil, QC
